- B. Whenever an analysis of any commodity or material is reasonably necessary to secure conformance with any ordinance provision or to detect violations thereof, it shall be the duty of the licensee of the municipality whose business is governed by such provision to give to any authorized officer or employee of the city requesting the same sufficient samples of such material or commodity for such analysis upon request. In addition to any other penalty which may be provided, the mayor may revoke the license of any licensed proprietor of any licensed business in the city who refuses to permit any such officer or employee who is authorized to make such inspection or take such samples to make the inspection, or take an adequate sample of the said commodity, or who interferes with such officer or employee while in the performance of his duty in making such inspection; provided, that no license shall be revoked for such cause unless written demand is made upon the licensee or person in charge of the premises, in the name of the city, stating that such inspection or sample is desired at the time it is sought to make the inspection or obtain the sample.
